

# The Animal Kingdoms

Listen very carefully to the information you hear.

When you think you know which animal comes from which group, write the name in one of the spaces below. Write the features of each animal as you hear them.

Mammal	Bird
Name: _____	Name: _____
Features:	Features:
Reptile	Amphibian
Name: _____	Name: _____
Features:	Features:

# The Animal Kingdoms

As you hear how the animal group has young, circle the correct answer below

Mammal	Bird
<b>Tough Shelled egg</b>	<b>Tough Shelled egg</b>
<b>Hard Shelled egg</b>	<b>Hard Shelled egg</b>
<b>Gives birth to live young</b>	<b>Gives birth to live young</b>
<b>Jelly-like egg layed in water</b>	<b>Jelly- like egg layed in water</b>
Reptile	Amphibian
<b>Tough Shelled egg</b>	<b>Tough Shelled egg</b>
<b>Hard Shelled egg</b>	<b>Hard Shelled egg</b>
<b>Gives birth to live young</b>	<b>Gives birth to live young</b>
<b>Jelly- like egg layed in water</b>	<b>Jelly- like egg layed in water</b>

## CHALLENGE!

The Elephant House has an exception to one of the rules that we have seen. It may be about an animal group's features, or the way their young start life. Can you figure out which animal it is?

Name: \_\_\_\_\_

What is the exception to the rule? \_\_\_\_\_
